Declaration of SOS Alexa George

I am a Tactical Specialist – Staff Operations Specialist (SOS) with the Federal Bureau of Investigation. I have been employed with the FBI as an SOS at the Washington Field Office since August 2015. My duties include tactical analysis and research in support of investigations into the online sexual exploitation of children, in violation of 18 US.C. §§ 2251 and 2252, which criminalize, among other things, the production, advertising, possession, receipt and transportation of child pornography. As an SOS with the FBI, I have basic and on-the-job training in the investigative area of child exploitation and child pornography.

On 09/08/2021, SA Richard Guida forwarded National Center for Missing and Exploited Children ("NCMEC") CyberTip 87555105 to me via email.

After coordination with the case agents, I drafted a preservation letter to Google for email address, [redacted]@gmail.com. The preservation letter was served through Google's Law Enforcement Portal, lers.google.com, on 09/09/2021. Google sent me a confirmation email acknowledging receipt on 09/09/2021 at 6:12 PM. The preservation letter was drafted using a template and a typographical error was made which mistakenly dated the letter 03/10/2021.

Under penalty of perjury, the information provided above is true an accurate to the best of my knowledge and belief.
